## **DOSAGE AND INSTRUCTIONS FOR USE:**

Use undiluted.

Apply CTX-70 SurfoSAN® daily spraying the product on the surfaces of the benches, walls and floors of showers, saunas, changing rooms, accesses to swimming pools, etc.

Allow to dry without rinsing so that the sanitizing action of the product is long lasting.

Recommended contact time: 15 min.

*(after this time, if you wish you can rinse the surface treated with water).*

Product performance *(by spraying on the treatment surface)*: Consumption = 55 - 60 g/m2 approx.

## **COMPOSITION:**

Contains: benzalkonium chloride and isopropyl alcohol

Aldehyde free
